Nhạc Nhật.Lời Việt :Minh Châu

The musical score consists of eight staves of music in G clef, 4/4 time, with a key signature of one sharp. The lyrics are integrated directly below the corresponding musical lines.

Đến đây nào ngày hôm nay ta đã đến gặp nhau Lòng thật  
hân hoan với bao nụ cười thả lời ca lên trời cao Trái tim hoà nhịp yêu  
thương cùng nhau bước với ngàn mây, và sẽ không lãng quên những người trên con đường mà chúng  
ta nắm tay thiết tha này. Ta trao cho nhau lời chúc chan tình yêu để lòng nhẹ vơi đi nỗi  
buồn. Bên nhau hân hoan trong phút giây thần tiên và mở lòng mình để cùng hướng ra thế  
giới. Bạn hối chúng ta từ muôn phương trời đã về đây hoà chung tiếng nói Cùng  
nắm tay nhau hoà nhịp bao con tim chứa chan ân tình, cho nhau niềm yêu thương niềm hạnh phúc khi gặp nhau.  
nhau. Cho nhau niềm yêu thương niềm hạnh phúc hoà nhịp con tim chứa chan ân tình khi gặp  
nhau.

Happy to see you -あなたにあえてよかったです-

Words : AKI, Music : AKI

ともよ ここにきたわけはこの人この街この空よ  
ふたりあるいた果てしない道は忘れる事があつても誰かが覚えてるだろう  
やさしさだけじゃない耐えて走ることが予定にない夢を届けてくれる  
異なる言葉を交わす朋友たち よく見れば同じ瞳をしているよ  
会えてよかったです

ともよ はじめて出会う不安をあなたはけしてくれました  
なぜか懐かしい顔に見えてきたあなたの笑顔が私に力をくれる  
あなたひとりだけじゃない誰かが待ってる 明日に続く夢をその手に握りしめて  
異なる大地を歩む朋友たち良く聞けば同じ夢を見ているよ  
会えてよかったです

異なる時間を過ごす朋友たち良く話せば同じ生き方をしているよ  
会えてよかったです

あなたに会えて  
あなたに会えてよかったです

**Happy to see you -English Version-**

**Words : AKI, English words: Shinon, Music : AKI**

The reason why I came to this land is to meet you, to see this town and to look up to this pure sky

The path we walked together is long and steep

But we never forget the people who we met through the tour of our hearts

“It’s not only for peoples’ tenderness

It’s important to pace yourself

Doing your best sends you a wonderful chance that you never expected“

We are friends, even if we talk in the different words

When I look into your eyes, I sense that we have the same color and glow

I’m really happy to see you

Dear friends You eased my fears when we met for the first time

Your tenderness, your kind words and your beautiful smile...

Why? It seems for me that you are an old friend of mine

Your heartfelt smile gives me courage. Your words give me many hopes

“That’s OK, you’ll never be alone. Someone is waiting for you.

They are looking forward to seeing you with their kind hearts.”

We are friends, even if we live in the different land.

When I listen to your words, I sense that we have the same vision and dream

I’m really so happy to see you

We are friends, even if we spend different time

When I talk with you, I sense that we have the same way of life

I’m really so happy to see you

You are my treasure

You are a precious friend, so happy to see you!
